Instructions for completion

- When completing this document it is important to make a positive statement showing how the organisation complies with any relevant part of the ANO-147 requirement (column 2) by indicating in column (3) the MTOE or procedure reference. If any part is not relevant then N/A should be marked in column (8). If the requirement is not complied mark 'No' in column (4). It should be stated in the comments column (10) why the requirements in not complied and should propose a date of compliance in Column (9). If the requirement is complied by any other means or partially complied then the Column (6) or Column (7) should be marked respectively. Column (10) should be filled indicating the reason for partial compliance or explaining the other means of compliance. Further, Column (9) should be filled, if partial compliance, indicating the proposed date of full compliance. If the requirement is fully completed then Column (5) should be marked.
- If additional information is required to demonstrate compliance please use the space below or attach an appropriately referenced continuation sheet.
- Once completed please return this document to the CAAB.
- When the Compliance Check List has been completed and accepted by CAAB a copy should be appended to the M.T.O.E.
- When completing the checklist account should be made of the ANO 147 AMC & GM.
