CAA

Training Calendar 2020-2021

**Civil Aviation Academy
Kurmitola, Dhaka - 1229**

Preface

Civil Aviation Authority of Bangladesh (CAAB) is mandated for providing aeronautical services including air traffic control, aeronautical telecommunication operations and engineering, aerodrome and airport operations, aviation security. Civil Aviation Training Centre is CAAB's own training organization that conducts required training courses to develop CAAB's human resources to efficiently provide the services of CAAB.

CAA is one of the most vital training organization for the nation to run aviation in the country. There is no other organization that creates air traffic controllers, or CNS engineers, or Aviation Security screeners. Aviation security training systems and methods have undergone immense transformation in recent years. As such, not only the quality of training is demanding, so also is the required volume.

CAA prepared its Training Calendar for the financial year 2020-21 to meet the required training volume and quality of services in all its operational areas, as well as, to build leaders in organizational affairs.

Date: 03 Dec 2020

S M Wahidur Rahman
Director, CAA

About CAA

Introduction

Civil Aviation Academy (CAA) is the apex training organization of Civil Aviation Authority of Bangladesh (CAAB) and one of the most important units of it. The name itself indicates its functional importance. CAAB is mainly responsible for safe operation of civil aircraft, and efficient and expeditious flow of air traffic within the Flight Information Region (FIR) bounded by the international geographic boundary of Bangladesh. CAA trains CAAB's employees of all levels in the fields of Air Traffic Control, Communication, Navigation, Surveillance, Crash Fire and Rescue, Aviation Security and Aerodrome Engineering, Administration and Accounts adopting the standards set by the International Civil Aviation Organization (ICAO). CAA was established in Dhaka in 1975 through the assistance of ICAO/UNDP. The CAA is situated at Kurmitola near Hazrat Shahjalal International Airport. CAA conducts about 08 long courses for newly inducted employees, and about 40 short courses. CAA is 98 man-power strong, headed by the Director (CAA).

CAA is an integral part of CAAB, which functions as a separate directorate of CAAB Headed by Director who is responsible to the Member (Operations and Planning).

Vision

CAA builds patriotic and competent professionals to ensure safety-security, efficiency and regularity in air traffic movements and airport operations.

Mission

- Developing competent human resource for Civil Aviation Authority by conducting quality training programs that fosters and professional knowledge, skill and attitude to a satisfactory level against required performance standards.
- Conducting research in the fields of training program development including training standards, quality control and risk management.
- Establishing effective co-operation with national and international training organizations with the aim of developing CAA's organizational capacity.
- Promoting patriotism in all employees of CAAB in light of the spirit of Liberation War 1971.
- Promoting a culture of continuous learning in CAAB employees to serve the nation with enhanced capacity.

Ethics & Values:

Discipline: CAA maintains discipline of highest order in every step of its activities, duties and responsibilities in order to cultivate beautiful behavior from its employees and trainees. It is intended to mean

adherence to organization's vision, mission, objectives, procedures, employment contract and training programs in order to maintain smooth functioning of CAA and create a healthy work environment.

Cleanliness: CAA maintains high standard of physical cleanliness inside and around of its working complexes. Each employee will act in such manners that will ensure maintaining of the clean environment. Cleanliness is also intended to include neatly placing of furniture, cabinets, files, documents etc.

Care: Each employee endeavors for highest care for colleagues, trainees, and assets belonging to CAA. This involves having a genuine concern for others, as well as a sense of compassion with fairness and respect. Senior management remains caring, benevolent and kind to both employees and trainees, and seek to reach their goals while causing the least amount of harm and the greatest amount of good.

Timeliness: Utmost efforts are taken for timeliness in all activities of CAA, including realization of Annual Course Plan, course events, evaluations, research events, initiation of TPM revisions and amendments, attendance etc.

Self-learning and Learning for Results: CAA imparts training for results so that what is received in classrooms will be realized in the work fields. CAA perpetually pursues the follow up actions to evaluate post training utilization and impact of trainings in order to stay relevant and up-to-date. CAA values and maintain a creative environment for life-long self-learning and continuous learning both for trainees and trainers.

Leadership: CAA upholds “leadership” as a principle to be followed by the top-level managers. Leadership qualities include being positive in viewpoint, approaching with a focus on listening, always being open to compromise for the sake of justice and wellbeing of employees and organization, ability to come up with timely decisions and choices.

Leadership is also intended to include being open in all circumstances and honestly advise superiors on one's own initiative and team spirit.

Location:

The CAA is located at Kurmitola, Dhaka, near the Airport Bus Stand, just south of the CAAB Headquarters, around five hundred meters north of Hazrat Shahjalal International Airport (HSIA) Terminal Building and around one hundred meters west of Airport road. The satellite view of CAA premises is shown from Google map.

Acronyms:

- AFO Aerodrome Fire Operator
AFTN Aeronautical Fixed Telecommunication Network
AIS Aeronautical Information Services
AMHS ATS Message Handling System
ATC Air Traffic Control
ATCO Air Traffic Control Officer
ATN Aeronautical Telecommunication Network
ATS Air Traffic Services
ATS Air Traffic Services
CAAB Civil Aviation Authority
CAA Civil Aviation Academy
CELL Communicative English Language Learning
CFR Crash Fire and Rescue
CNS Communication, Navigation & Surveillance
DME Distance Measuring Equipment
E-GP Electronic Government Procurement
FIR Flight Information Region
HSIA Hazrat Shahjalal International Airport
ICAO International Civil Aviation Organization
ILS Instrument Landing System
PPA Public Procurement Act
PPR Public Procurement Rules
SMS Safety Management System
SSP State Safety Program
VOR VHF Omni Directional Range

Training Courses

Civil Aviation Academy conducts courses for its own human resource in order to perform its operations. The following are the major operational disciplines:

- Air Traffic Services;
- Crash, Fire and Rescue;
- Aeronautical Communication, Air Navigation and Surveillance Systems or CNS Engineering;
- Aeronautical Telecommunication Operations;
- Aerodrome Engineering;
- Aviation Security.

Administrative Training Courses

Moreover, CAA conducts courses that are related to administration, finance & accounting and computer literacy. ICT-based digital services are being implemented in rapid pace under Digital Bangladesh agenda and new services are being introduced every year. To meet the national requirements, CAA conducts courses on e-Filing and e-GP.

ATS Courses

1. Basic Air Traffic Control Course
2. Air Traffic Control Refresher Course
3. Elementary Air Traffic Control Course
4. Area Control (Non-Radar) Course
5. Aeronautical Information Service (AIS) Course
6. Basic Aircraft Marshalling Course
7. Basic Aviation Cartography Course
8. Elementary Course on Aviation Cartography
9. SMS & SSP Course

CFR Courses

1. Crash Fire & Rescue (CFR-1) Basic Course
2. Crash Fire & Rescue Refresher Course
3. Airport Crash Fire & Rescue Driver Operator & Minor Maintenance (CFR-3) Course
4. Crash Fire & Rescue Instructor Course
5. CFR AFO Initial Course
6. First Aid Initial Course
7. First Aid Refresher Course
8. Fire Orientation Course

CNS Engineering Courses

1. CNS Engineering Course
2. Radio Technician AB Initio Course
3. Electronic Fundamental Course
4. VOR/DME Refresher Course
5. ILS Refresher Course
6. Radar Refresher Course
7. Terminal Equipment Refresher Course
8. ATN / AMHS (BD) Refresher Course

Communication Operation Courses

1. Aeronautical Telecommunication Operation Basic Course
2. Communication Operation Refresher Course

Computer Courses

1. Linux Administration & Networking Course
2. Computer Course (Beginners Level) Course
3. Computer Course (Expert Level) Course
4. AutoCAD 2D & 3D Course

Administrative Courses

1. The Right to Information Course
2. Human Resource Development Course
3. Administrative Rules Course
4. Basic Office Management Course
5. PPA 2006 & PPR 2008 Course
6. Communicative English Language Learning (CELL) Course
7. Basic Accounting & Financial Management Course
8. E-Filing Course
9. E-GP Course
10. E-GP Advance Course

Aviation Security Courses

1. Elementary Aviation Security Course
2. National Inspectors Course
3. Airport Security Managers Course (ASM)
4. Basic Aviation Security Initial Course (BAS-I)
5. Basic Aviation Security Refresher Course (BAS-R)
6. Ground Security Officers' Initial Course (GSO-I)
7. Ground Security Officers' Refresher Course (GSO-R)
8. Ground Security Supervisors Initial Course (GSS-I)
9. Ground Security Supervisors Refresher Course (GSS-R)
10. Cargo Operative Initial Course (CO-I)
11. Cargo Operative Refresher Course (CO-R)
12. Cargo Operative Screening Initial Course (COS-I)
13. Cargo Operative Screening Refresher Course (COS-R)
14. Senior Cargo Operative Initial Course (SCO-I)
15. Senior Cargo Operative Refresher Course (SCO-R)
16. Recognition of Firearms Explosives Initial Course (RFX-I)
17. Recognition of Firearms Explosives Refresher Course (RFX-R)
18. Quality Assurance Initial Course (QA-I)
19. Quality Assurance Refresher Course (QA-R)
20. Threat Assessor Initial Course (TA-I)
21. Threat Assessor Refresher Course (TA-R)
22. Aircraft Protection & In-Flight Supply Course (APIFS-I)
23. Accounting Authorizing of Hold Baggage for Carriage by Air Initial Course (AAA-I)
24. CCTV Initial Course (CCTV-I)

Training Facilities

CATC has well-furnished classrooms and labs, a rich library and hostel facilities as mentioned below:

- 10 x Multimedia Classroom
- 1 x ATC Simulator
- 1 x CNS Engineering Lab
- 1 x AFTN Lab
- 1 x Computer Lab
- 1 x Language Lab
- 1 x Security Scanning Simulator Lab
- 1 x Conference Hall
- 2 x Refreshment Room
- 1 x Library
- 1 x Hostel for Gents
- 1 x Hostel for Ladies

Training Schedule For Financial Year 2020-21

SN.	Category	Name of the Courses	Total Participants	Start	End
Air Traffic Controller Courses					
1	ATS	Basic ATC Course No. 28	14	02-Feb-20	18-Nov-20
2	ATS	Basic ATC Course No. 29	15	06-Sep-20	25-Apr-21
3	ATS	Elementary ATC Course No. 19	15	10-Jan-21	07-Apr-21
