

CIRCULAR-01/2016

Title: **Procedure to exercise privileges of Flight Instructor/Examiner with OML.**

A flight Instructor or an Examiner with OML (Operational multi-pilot limitation) may be authorized to exercise the privileges relevant to the licence and rating to give instruction or conduct skill test under the following conditions and limitations:

a) **General Conditions and Limitations:**

- i) Applicable for single Pilot certified aircraft up to 5700 kg only;
- ii) Aircraft must be fitted with dual control;
- iii) Pilots with OML shall not be given new flight instructor rating;

b) **Conditions and Limitations for Flight Instructor/Examiner with OML:**

- i) Must hold Class 1 Medical Certificate;
- ii) Shall have at least 500 hours instructional experience;
- iii) Shall not be allowed to conduct instruction/skill test in more than one type of aircraft;
- iv) Shall not be given flight instructor rating on a new aircraft;
- v) Shall conduct instruction/skill test in day VFR condition only, except when the student has done sufficient instrument and night flying.

c) **Conditions and Limitations for Student while flying with OML Instructor/Examiner:**

- i) Must be undergoing an integral course for PPL (A), CPL (A) or CPL (A)/IR;
- ii) Must have successfully completed first solo cross-country flight;
- iii) Must have successfully completed ‘ recognition of stall and recovery’ drill and has been certified as proficient;
- iv) Student has been given briefing on ‘inadvertent entry into spin and recovery’ procedure;
- v) ATO has developed and included in its syllabus, ‘pilot incapacitation’ program, approved by CAAB and the student has given such training and certified as proficient;
- vi) The student shall not do any instrument flying with an OML instructor until he has received sufficient instrument flying lessons to the extent that he/she is found proficient in conducting flight without any visual reference but with the sole help of instrument only; and
- vii) He has done night flights as PIC/Solo.
